Fun, High Energy, Mostly Original Rock

Audience/club owner comments about the Frogz

“Not too heavy, not too loud. We’re able to have a conversation (while they are playing) ... great volume control; nice people, reliable!”

“Their music pulled us onto the dance floor!”

“I’ve never seen the B-52’s live, but if I did, I know they’d sound like you!”

Thank you for considering this **BOOKING REQUEST** of our live music and stage show! We play fun, upbeat, high energy original rock and cover songs (current and classic rock). Part of what makes our stage show unique is that both of our female lead vocalists create playful interactions to connect with the audience, helping them to feel involved and appreciated. Above, the BlowFrogz are pictured performing at the 2016 Bite of Oregon.

The BlowFrogz are a fun, high energy progressive rock band that plays original rock songs and familiar covers. They stand out with their playful exchange of vocals between their two female singers, backed by a driving rock sound that has enough electricity to jump start a marathon runner. You've gotta hear their lift-off hit single, "Bounce". The musical coordinator of the Vancouver Marathon couldn't agree more: "They're so high energy, I chose 'em to play at our finish line!"

Their influences include giants like The B-52's, Sheryl Crow, Smash Mouth, and various surf bands. It's obvious that the band members are friends having a great time, while expressing themselves musically. As a group, they play with a natural sense of being in the moment. The BlowFrogz are made up of the following members:

Julia Figliotti – lead vocals, auxiliary percussion

Gail LeVine – drums, vocals

Leonard Weitman – bass guitar, vocals

Victor Finizio – lead guitar

The BlowFrogz have opened for And And And as well as Andy Stokes. Their résumé includes outdoor festivals and concerts such as: The Bite of Oregon, the Portland Rose Festival, Sundae in the Park, and Portland's Summer in September, and they headlined the St. John's Bayanihan Festival in 2012. They have also played top clubs in the Portland area: Goodfoot, The Lehrer, and Buffalo Gap. To date, over 4,000 people have heard their music live.

You'll find articles about the BlowFrogz in The Sentinell, Asian Reporter, and Christian News Northwest. They've also received airplay on the D.L. Hugley show on KKMS.

The BlowFrogz believe in supporting local community efforts and are always on the lookout for new opportunities to give back to the city of Portland. They have supported Good Samaritan Ministries, Nourish the Children, Downtown Chapel, Big Bang – A Take Pride Party, and Faith Café. The BlowFrogz have helped to raise over \$24,000 for the Filipino Community and were granted a participation award by the Committee to Celebrate the Birthday of Medicare.
